OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

RE: Freedom of Information Act Request EPA-HQ-2016-008125

Dear Mr. Tamura:

This is in response to your Freedom of Information Act (FOIA) request dated June 29, 2016, seeking information referencing "Clement Associates Inc. 1981. Mathematical Models for Estimating Workplace Concentration Levels: A Literature Review, EPA Contract 88-01-6085." Nhan Nguyen of the Risk Assessment Division was contacted about the document and he promptly sent you a reply and the requested document on August 12, 2016. The FOIA request was subsequently assigned to the Risk Assessment Division on 8/16/2016. Enclosed please find a second copy of the document you requested. This response enables the official close-out of your request in our FOIA system.

If you have any concerns, you may appeal this response to the National Freedom of Information Office, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20001. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the request number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have any questions regarding this response, please contact me on (202) 564-8551 or Nhan Nguyen on (202) 564-8528.

Sincerely,

Mary C. Féhrenbacher, CIH

Acting Deputy Division Director

Risk Assessment Division

Office of Pollution Prevention and Toxics

Mary Ctchenlian
